AMENDMENT

Assistant Commissioner for Patents
Washington, DC 20231

Dear Sir:

The present amendment is submitted in response to the Office Action dated July 2, 2002. Please amend the application as follows:

In the Specification

Please replace the last sentence on page 3, line 30, with the following sentence:

 --In an embodiment of the present invention, the flare is capable of incinerating a plurality of chemicals.--

In the Claims

Please amend the claims as follows:

1. (Amended) A system for cleaning mobile railcars containing chemicals comprising:

 a mobile railcar having a quantity of chemicals therein wherein the mobile railcar has a plurality of valves for attaching a plurality of pipes thereto;
